Sir,

With reference to your letter No 17-23 dated 6th July 1907, enquiring whether the full quantity of Sandalwood was supplied to the Institutions concerned during the years 1905-06 and 1906-07 &c, I have the honor to submit herewith, in original, report No 81 dated 5th December 1907 from the Deputy Amildar of Harihar and to state that the full quantity is reported to have been supplied to the Chattrams and temples at Harihar and Komaranahalli for the amount provided in the budget and that it did not exceed the budget allotment. The allowance due for 1905-06 is stated by the Comptroller in his letter No 84 dated 6/8 July 1907

addressed to the Mugrai Secretary to draw along with the amounts due for some more previous years and credited to the surplus funds. Hence no sandalwood was supplied to these Institutions during 1905 06

2 In this connection I may add that the accounts maintained in this as well as in the Taluk offices do not show the credit to surplus funds of the allowances sanctioned for sandal wood. This must as a necessary consequence result in a discrepancy between the accounts of this and the Taluk offices and those maintained in the Comptroller's office as to the actual balance of the Mugrai funds. It seems therefore desirable that intimation in all such cases should be given to this office

Sir,

Adverting to your letter No. 17-23 dated 6th July 1907 calling for a report in regard to the quantity of Sandalwood supplied to several mugrai institutions in this District I have the honor to state that the Amildar of Arkalgood Taluk reports that the sum of Rs 7 allotted in the Budget for supply of Sandalwood to the first four mugrai institutions in the Comptroller's list received with the reference under reply is drawn annually from the Treasury and Sandalwood purchased from the Forest Department at the prevailing rates, and

D 611

and supplied to the institutions.

2. The Amildar of Belur Taluk reports that since 6 or 7 years no amount is spent out of the budget allotment as there was sufficient stock of Sandalwood in the temple.

3. The Amildar of Hole-Narsipur Taluk reports that Rs 21 allotted for the Sri Lakshmi-narasimhaswami temple is being spent every year for supply of Sandalwood to the institution while Rs 45 noted against the Sri Veerabadra Math is being drawn and credited to the funds of the Math the supply of Sandalwood to the Math being found unnecessary in view of the absence of the Swami from Hole-Narsipur.

4. It will be seen from the foregoing that the budget allotment was not exceeded in any instance in this district, but that quantities procured for the allotted amounts were supplied to the institutions concerned.

Sir,

With reference to your letter No 17-23 dated 6th July 1907, forwarding an extract from a printed copy of the statement showing the quantity of sandalwood to be supplied to Muzrai Institutions of this District and requesting certain particulars in connection therewith during the years 1905-06 and 1906-07, I have the honour to state that the Amildar of Tumkur in his No 1156 dated 26th May 1910 reports that a sum of Rs 10/ for each of the two years referred to was spent in purchasing sandalwood for use in the temple of Sri Narasimhaswami at Devarayadurga and that Rs 8-12-9 during 1905-06 and Rs 9/- during 1906-07 were paid on account of sandalwood to the temple of Sri Anjaneya at Garagadakuppe . The amounts drawn in the latter case have been shown in the Jamakarch accounts of the temple as usual and held in amanath (as a deposit item) as some stock of sandalwood remained then on hand . The Amildar reports that the old stock in the temple of Sri Anjaneyaswami is now exhausted and that the amount of Rs 17-12-9 in deposit will be utilized in buying sandalwood . To put a stop to this

irregular

ular procedure in future , arrangements will have to be made with the Forest Department for the supply of sandalwood to the temples concerned on payment of amounts out of sums allotted therefor in the Budget.

I have the honour to be

Sir,

Your most obedient servant
